**Graduate Advising:** Since coming to Yale I have been on the dissertation committees of and/or (usually and) written letters of recommendation for the following graduate students. I was/am the chair (or co-chair) of the committees for the students marked with an asterisk. (I have only recently begun to include this, and haven't been able to check records carefully, so I am probably missing some students, especially from early in my time at Yale. Apologies to any I may have forgotten.)
