Please evaluate each instructor of Spanish 110 12. What are the instructor's strengths and weaknesses, and in what ways might his/her teaching be improved?

Response 1

7 Tanya 8 9 Romero-Gonzalez

I really liked Prof. Romero-Gonzalez. It really makes a difference to have a native spanish-speaking instructor, but she could have spoken in spanish more than she did. She was very helpful whenever I had questions in or out of class.

Response 2

7 Tanya 8 9 Romero-Gonzalez

Tanya is such an amazing professor. I loved her interactive teaching style, and she was very helpful. Although the entire class is conducted in Spanish, Tanya does everything in her power to explain words and concepts to you in very simple Spanish, and she is very easy to understand. She is always available for office hours, and she incredibly supportive.

Response 3

7 Tanya 8 9 Romero-Gonzalez

Tanya is good at explaining topics and she does a good job at keeping the class engaging and active.

Response 4

7 Tanya 8 9 Romero-Gonzalez

She was pretty good. She allowed for a very good class environment and encouraged everyone to participate while being very open to questions and clearly invested in our progress. She seemed a little bound by the lesson play but that may be for better or worse. We didn't do much accent stuff...

Response 5

7 Tanya 8 9 Romero-Gonzalez

Tanya is super nice and willing to take the time to help students outside of class. the problem is that the syllabus is so strict that a puppet could teach the course. She's a good teacher and disagrees with a lot of the style of this course.

Response 6

7 Tanya 8 9 Romero-Gonzalez

Professor Gonzalez was very knowledgeable and helpful.

Response 7

7 Tanya 8 9 Romero-Gonzalez

Tanya was a very good teacher. Although we were learning elementary material, she kept the class engaging. She taught grammatical concepts clearly so that they were easily understandable.
