## Question 2

## Response 1

7 Tanya 8 9 Romero-Gonzalez

Tanya is a great teacher!

## Response 2

7 Tanya 8 9 Romero-Gonzalez

Tanya was great! Fair grader, good at explaining things. it is also really great to have a native spanish speaker to tell you what actually gets used and doesn't, and to hear a native accent regularly (she is from Spain).

## Response 3

7 Tanya 8 9 Romero-Gonzalez

I think Tanya is a fabulous teacher. She gives a lot of freedom to work in groups, which allows students to work out the exercises together. Her power points and explanations are straightforward, and she is always willing to help and answer questions. (She also posts the power points online, which is extremely useful.) Tanya is also extremely friendly and approachable.

## Response 4

7 Tanya 8 9 Romero-Gonzalez

A bit strict, but really gets the job done. She's super accountable and always available to help. She takes her work seriously and will teach you Spanish, at the end of the day.

## Response 5

7 Tanya 8 9 Romero-Gonzalez

The instructor was very enthusiastic and knowledgeable, but she tried to enforce working in groups too much, I felt like she never taught, it was always us learning at home and then coming to class to talk to our group mates.

## Response 6

7 Tanya 8 9 Romero-Gonzalez

The professor was great. Her teaching style was very engaging and the time spent in class passed by very quickly.

## Question 4

How would you summarize Spanish 140 02 for a fellow student? Would you recommend Spanish 140 02 to another student? Why or why not?

## Response 1

Take it.

## Response 2

Grammar improved! It is a bit more challenging than 130, but I would go for it if you want to continue studying Spanish. Overall, a pretty good course.

## Response 3

Great class. If you took 130, expect much more conceptual work and more difficult/complex grammatical ideas.

## Response 4

You have to take it if you're trying to learn Spanish. Daily classes suck, but it's the most effective way to learn a language.

## Response 5

Spanish 140 was a class that involved a lot of work at home and in class. It consisted of constant preparation for homework or projects or quizzes. If you have to take this class to fulfill a requirement, then you do it, if its not mandatory, avoid it.

## Response 6

I would definitely recommend this course. It's exactly what you would expect. It can be a lot of busywork, but you come out with a better grasp on grammar and improved fluency.

## Response 7

Good review of grammar and useful vocab.

## Response 8

It's like spanish 130 but more projects.

## Response 9

Lots of work, rewarding, awesome if you have Tanya as your professor.
