The Ulysses S. Grant Foundation is an academic enrichment program for talented and motivated middle school students from New Haven. Since 1953, U.S. Grant has drawn on the experience and enthusiasm of Yale undergraduates to challenge students so they can acquire the academic preparation they will need to succeed in their current school environment and college. The program is designed for bright students who might have limited opportunities and resources to participate in academic enrichment activities.

The Summer Program
U.S. Grant offers a six-week summer program on the Yale campus for New Haven students entering grades 6-9. Each morning in small classes of 10-15 students, Yale undergraduates teach classes to challenge and excite their students. Classes are fun, interdisciplinary, and hands-on. In the afternoon, students participate in electives, activities, and field trips.

Key Information
- **Dates and attendance**: This year the summer program runs from June 26 – August 4, 2017. Students are expected to attend all days of the summer program and only students who can commit to the entire summer should apply.
- **Cost and financial aid**: The entire cost of the summer program for families is $75 and is due at orientation. Financial aid is available to a limited number of students. If interested, please make a note on the application. Family income and other information may be requested.

The Application Process
- **Returning students’ process**: All returning students must re-apply for admission to the program and are not guaranteed re-admission. The admissions committee will review returning students' past records of behavior, participation, attendance, grades and teacher comments.
- **What to submit**: The application consists of the following forms:
  - Personal Data Form
  - Student Application Form
  - Request for Student’s Records Form*
  - Academic Teacher Recommendation Form*
  
  Please note that the asterisked (*) items need to be completed by teachers and/or counselors at school and returned directly to the U.S. Grant Foundation. Submit these forms to the school as soon as possible to allow adequate time to meet the deadline.
- **Application deadline**: All application materials must be postmarked by Monday, February 6, 2017. All applications must be mailed.
- **Admissions Decisions**: We will notify all students of the decisions of the Admissions Committee in March.

Returning Student Application
Note to the Applicant: Please answer the following questions in the space provided, without help from family, friends, or teachers. There are no right or wrong answers to these questions.

1. Why do you want to continue to participate in the U.S. Grant program?

2. What do you think you offer the program?

3. Think about last summer. What was the most important thing you learned at Grant and why has it been so important to you?

4. If you were the director of U.S. Grant what would you change about the program?

5. Three words that describe me are:

6. What is your favorite subject in school and why?
Please answer the question that corresponds to your current grade in school

**6th Grade:** You are a U.S. Grant teacher. Design a course for Grant students. Be creative.

**7th Grade:** What advice would you give a new U.S. Grant student?

**8th Grade:** Choose one way that Grant has impacted you. This could be in your community, with your academics, your relationships with others, or something else. Think critically and provide a detailed response.

---

**8.** In the following space, please describe a challenge you’ve faced in the last year. How did you solve it? Now that you can look back on the problem, did you handle it in the best way? Would you have done anything differently?

---

If there is anything else you would like to share with the U.S. Grant Admissions Committee, please attach a separate sheet. Thank you for completing this form.

---

I promise that I have completed this application on my own and without any outside help. I agree to abide by all rules and regulations of the program. Further, I agree to fully participate in the program by attending all scheduled classes and activities.
